WHY BE ORDINARY WHEN YOU CAN BE EXTRAORDINARY?

Keynote speaker, MC, Workshop Facilitator and Coach, Samantha Leith is a Woman on A Mission, helping individuals to raise the curtain on their X Factor by developing the Confidence & Charisma needed to have people pay attention and building the Clarity & Courage needed to go after their dreams.

After 40+ years on stage (she started very young) she can be described as the imaginary love child of Bette Midler & Tony Robbins.

“ WITH EVERY SECOND PERSON WHO POPS ON A FROCK AND SOME LIPPY BEING CALLED A DIVA, IT'S A DELIGHT TO STUMBLE ACROSS THE REAL THING ”

Entertainment, Education & Empowerment Experience it all: in person or virtually

Conference organisers book Samantha to speak as every time she takes to the stage she's expressive, emotionally intelligent, energetic, generous & inspiring.

Samantha creates a strong and immediate magnetic connection by using her vibrant communication skills as well as her intuition, capacity for immense empathy & inclusive modalities .

An expert at what she does she expects the best from herself & drives others to focus on constantly bringing out the best of themselves. Motivated & conscious of even the smallest details she focuses on adding value every step of the way.

Analytical with a Woo Woo Rising is how she describes herself, so although her audiences will be encouraged to look inside themselves, there's no gazing at belly buttons called for.

They will be asked to think bigger, develop a can-do attitude and focus on their version of success.

Warning: Audience participation may involve laughing, crying, thinking and so much more.....
