

TECH RIDER

Samantha's promise to you from the stage is Entertainment, Education and Empowerment. To combine the elements of motivational seminars, big stage concerts, intimate cabaret gigs and multimedia wizardry means the Audio Visual set up is a priority. This ensures all participants can get the most out of the Experience.

Samantha will provide:

- Laptop (MacBook Pro) and necessary adaptors
- All materials backed up on USB
- Clicker
- Presentations are on Keynote

Please provide:

- Lavalier or headset microphone
- VGA or HDMI input for the laptop
- High definition projector
- Quality sound system
- On-stage monitor or in-ear monitor for larger auditoriums if singing is involved
- Small table for laptop
- 2 x bottles of room temperature water

When possible please remove any other tables or podiums from the front of the stage. If singing is involved a sound check will be required with an empty auditorium.

Any other requirements such as flipcharts will be discussed in the pre-event meetings.
